**FDOT to Perform Routine Inspections on Spence Parkway**  
**December 10**

**Niceville, Fla. (December 4, 2019)** – The Florida Department of Transportation (FDOT) will be performing routine inspections of the Swift Creek and Mill Creek bridges on the Spence Parkway portion of State Road 293 on Tuesday, Dec. 10. Intermittent lane restrictions are to be expected.

Inspections will begin in the northbound lanes of Spence Parkway over Swift Creek at 9 a.m. Tuesday. After completion inspections will move north to Mill Creek and continue until completion, or by 3 p.m.

All activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to use caution when traveling in work zones and to expect traffic build up.

##

**About the Mid-Bay Bridge Authority**

The Mid-Bay Bridge Authority is a dependent special District of the State located in Okaloosa County, created in 1986 by the Florida Legislature to finance, build, and oversee a bridge across Choctawhatchee Bay along with roads connecting to it. The Authority has five voting members, appointed by the Governor and the District Three Secretary of the Florida Department of Transportation, or his/her designee, who serves as a non-voting member. An Executive Director and staff manage day-to-day administration of the Mid-Bay Bridge Authority.
